Overall Length:

2.75 inches

Overall Height:

0.300 inches

Overall Width:

0.625 inches

End Application:

Tactical unmanned aircraft system (shadow)

Product Name:

Buss bar

Special Features:

Nha: 68629-42300 used on: tuav

Precious Material And Location:

10to 20microns gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515c0
