Overall Length:

12.500 inches

Overall Height:

8.250 inches

Overall Width:

11.000 inches

Furnished Items And Quantity:

Adapter connector-1; buffer solution, ph 7.00-one 16 oz bottle; electrode, ph-1; electrode, reference-1; holder, electrode-1; rod, electrode support-1; saturated kc6 solution-one 4 oz bottle

Smallest Graduation Unit:

0.50 millivolts and 0.005 ph

Measurement Range:

+0.0/+1400.0 millivolts single indicator 4th range

Features Provided:

Temperature compensator and portable

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
