Height:

12.750 inches

Accessory Components And Quantity:

Potentiometer 1

Depth:

16.625 inches

Special Features:

Sintered metal filters, 1 pct sensitivity, flame out light, flame ignition control; meter range in ppm by weight: p0.0/p4.0

Width:

19.000 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A503u0
