General Description:

$\label{lem:automatic} \textbf{Automatic identification and calibration, program for automatic samplers;}$	103.5-126.5/207-253 vac, 50/60 hz	z, 110 w max;	operating temp
range 0-40 degrees c; 4 function printing calculator, 31 stored calibration	ns		

Automatic identification and calibration, program for automatic samplers; 103.5-126.5/207-253 vac, 50/60 hz, 110 w max; operating to	temp
range 0-40 degrees c; 4 function printing calculator, 31 stored calibrations	
Shelf Life:	
N/a	
Unit Of Measure:	
	
Demilitarization:	
No
