**Product Name:**

Electrode partial carbon dioxide 8-200ph 75.5mm lg 1.7mm cap dia

**Instrument Type For Which Designed:**

Blood gas analyzer

**Ph Measurement Range:**

+8.00/+200.00

**Special Features:**

2c/o measuring half cell in the referencehalf cell; part of one electrode concentric chamber of the electrode; the measuring half cell w/ph sensitive glass forms the center of the two; used w/1300series blood gas analyzer; 75.5 millimeter cap dia.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A506n0
