Clinical Chemistry Analyzer Tubing - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6630-01-328-8496

Overall Length:
20.000 inches
Primary Container Type:
Package
Primary Container Unit Quantity:
1
Special Features:
Connects from ise reagent pack into the ise module; also takes waste into waste receptacle; used on abbott spectrum, ccx, epx analyzers
Material:
Plastic, polyethylene
Shelf Life:
N/a
Unit Of Measure:
-
Demilitarization:
No
Fiig:
T149-b
