View Online at <https://aerobasegroup.com/nsn/6630-01-332-4787>

Overall Length:

8.500 inches

Primary Container Type:

Package

Primary Container Unit Quantity:

4

Product Name:

Tubing peristaltic pump bld gas analyz silicone rbbr 8.5in lg 4s

Special Features:

Used on the 200 series models to connect wash pump to the sample pump and to the total hemoglobin

Color:

Clear

Material:

Rubber silicone

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T149-b
