**Unit Package Quantity:**

1 bottle

**Quantity Within Each Unit Package:**

125.0 milliliters

**Formulation Designation:**

Instrumentation laboratory

**Solute Designation:**

Sodium chloride

**Solvent Designation:**

Water

**Product Name:**

Filling solution electrode pc02 f/use in bld gas detr 125 ml

**Exterior Container Quantity:**

1

**Special Features:**

Pc02; for use in blood gas determinations

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T093-a
