Circuit Current For Which Designed:

Dc

End Application:

Single channel oxygen detection systems, bacharach inc, model numbers kd 900 and kd 930

Indicator Type:

Dial w/pointer

Measurement Range:

+0.0/+25.0 percent single indicator single range

Special Features:

Indicates the oxygen concentration in the air sample being monitored at the detector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A310a0
