End Application:

Ultrameter ii model

Product Name:

Buffered carbonate solution ph10 32oz

Special Features:

Maintains accuracy, periodic calibration; buffered carbonate solution, ph 10; 32 liquid ounces; blue; mold inhibited; accurate to within 0.01 ph units at 25 degrees c; color-coded for instant identification; non-hazmat; can be stored at room temperature

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T149-a
