Body Diameter:

4.0 major inches

Body Length:

225.0 millimeters

Body Material:

Glass

Product Name:

Sima-aldrich ph electrode, 130 mm stem length

Instrument Type For Which Designed:

Ph meter

Industry Designated Name:

Ph electrode

Ph Measurement Range:

+0.00/+12.00

Operating Temperature Range:

5.0 degrees celsius minus and 80.0 degrees celsius plus

Err Default:

Err default

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506n0
