Chromatograp Guard Column Ionpac - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6630-01-579-9912

Special Features:
lonpac ag19
Product Name:
Ion chromatography single pump
End Application:

Determination of oryhalides and inorganic anions; for determination of ppb bromate in drinking water; for concentrator work when single piston pump is used for sample delivery; operating pressure: 4000 psi

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
