Current Type:

Ac

Battery:

Not included

Carrying Handle:

Not included

Product Name:

Industrial gas system

Voltage In Volts:

120.0 and -140.0

Special Features:

Flexible gas cell configurations; detection limits depending on applicaton parts per million or parts per billion

Frequency In Hertz:

5.0

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T398-d
