**End Application:**

5419-01-543-0158

**Product Name:**

Conductivity/resistivity electrode

**Instrument Type For Which Designed:**

No instrument designation

**Electrical Connector Type:**

Pin

**Special Features:**

Material-stainless steel

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A506n0
