

View Online at <https://aerobasegroup.com/nsn/6635-01-251-3600>

**Current Type:**

Ac

**Special Features:**

Range: 100hz-6mhz; calibrated gain in db; differential, absolute, reflectance test coils and probes; gates: built-in, visible, impedance plane, and swept time base modes gates; display modes: impedance plane and swept timebase; digital pushbutton control of frequency; external or internal sync; selectable high pass filter

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T264-a
