Carrying Case:

Not provided

End Application:

Integrated conventional stores management system, b-52g

Scale Quantity:

1

Scale Range:

+135.0/+145.0 pounds

Temperature Compensator:

Not included

Deflection Angle Adjuster:

Not included

Functional Description:

Calibrates pneumatic banding toolkit, serd 0008

Reference Data And Literature:

Serd 0009, contract no. F34601-86c-1601, id no. D3-6393

Specification Data:

11851-mil-m-83521/xx government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T134-m
