Scale Quantity:

3

Special Features:

81000 ohm resistance; tol 0.3 pct; laminated k-alloy foil; hi perf polyamide backing encapsulating the grid and solder tabs; temp range m100 to p250 degrees f; strain range porm 1.5 pct; temp coeff 11.1 to 12.9 degrees f; alum alloy body; brass/tin contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T134-m
