Terminal Quantity:

2

Overall Length:

2.000 inches

Overall Height:

1.000 inches

Overall Width:

1.000 inches

Operating Temperature Range:

-10.0/+120.0 degrees fahrenheit

End Application:

Test set, ultrasonic, stavely pn9622062, nsn 6635013623327

Terminal Location:

Side

Terminal Type:

Pin

Case Material:

Plastic

Special Features:

Mfg name pitch catch, probe: test up to 7 plies composites to detect 3/4inch diameter flaw.Connector-fisher pn fd104a56-130

Media For Which Designed:

Solid

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A50110
