End Application:
F-22 raptor
Accessory Components And Quantity:
Reference 18, shoewedges 6
Product Name:
Ref std, ndi-metal
Special Features:
$\ensuremath{\mathtt{3}}$ cases with lids consisting of references and shoewedges
Functional Description:
Reference standards for non destructive inspection
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A23900
