NSN 6635-01-516-2383

Nitrogen Sensor - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6635-01-516-2383

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with navicp activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
