Overall Length:

6.000 inches

Overall Height:

1.000 inches

Overall Width:

6.000 inches

End Application:

C-17 aircraft

Special Features:

Material aluminum, finish painted gray, operating temps -40 degrees f to 125 degrees f; manufacturers name reference standard, metal to core - aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
