X-ray Tube - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6635-01-546-0959

Special Features:

Shelf Life:

| 7 inch; 150 kv; 3.7 mj (5.0 mhu) mode heat content rotating anode insert | designed for ct scanners; tungsten-rhenium facing on |
|--|--|
| molybdenum with a graphite backed target; 6000 watt anode cooling rate | 4500 watt anode heat dissipation; perpendicular to port face |
| reference axis | |

| N/a |
|-------------------|
| Unit Of Measure: |
| |
| Demilitarization: |
| No |

Fiig: A23900
