Overall Length:

91.980 inches

Overall Width:

15.500 inches

Product Name:

Universal calibrating machines

Special Features:

This is under maximum capacity type 100,000 lbf; 230 volt or 460 volt/60hz three phase; specification - astm e74, iso 376

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
