**Overall Length:**

0.400 inches

**Overall Height:**

0.900 inches

**Overall Diameter:**

0.375 inches

**Transmitter Frequency Rating:**

5000.0 kilohertz

**Special Features:**

Gr transducers are used to measure material thickness, right angle microdot connector

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A510I0
