Carrying Case:

Provided

End Application:

3470-01-575-2955

Usage Design:

External

Indicator Type:

Digital counter

Installation Design:

Portable

Test Type:

Brinell

Indicator Reading Type:

Single

Indicator Design:

Direct reading

Product Name:

Portable electronic hardness testers scale

Special Features:

Cage code 0trg1 phase ii machine & tool inc was identified by research aa being oem

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T264-b
