Overall Height:

145.00 millimeters

Capacity Rating:

1000.000 milliliters

Calibration Function:

To contain

Special Features:

W/approx. Volume scale in color

Material:

Plastic, polypropylene

Material:

Plastic polypropylene

Style Designator:

Low w/o spout

Specification Or Standard:

3 size

Departure From Cited Document:

As modified by volume scale

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
