Physical Form:

Pellet

Melting Point Temperature Range:

+55.0 to 57.0 degrees celsius

Product Name:

Embedding compound lab pellet natural melt point 55to57deg c 4's

Color:

Natural

Material:

Paraffin and resin

Material:

Paraffin and resin natural or resin synthetic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T09700
