Overall Height:

216.00 millimeters

Capacity Rating:

3000.000 milliliters

Calibration Function:

To contain

Special Features:

8 per case

Material:

Glass, borosilicate and steel, corrosion resisting

Material:

Glass, borosilicate and stainless steel

Style Designator:

Low w/o spout

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
