Volumetric Flask - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6640-00-290-6933

Capacity Rating:
250.000 milliliters
Calibration Function:
To contain
Accuracy Certifier:
Manufacturer
Closure Type Accommodated And Size Designation:
16 standard taper stopper mouth
Special Features:
Blue line exax, retested
Material:
Glass, federal dd-g-541, type 1, class a
Specification Or Standard:
1 type and a class and 2 grade and a composition
Departure From Cited Designator:
As modofied by special features
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A24200
