Overall Height:

122.00 millimeters

Capacity Rating:

600.000 milliliters

Calibration Function:

To contain

Special Features:

Griffin low form, w&raised numeral graduations

Material:

Plastic, polypropylene

Material:

Plastic polypropylene

Style Designator:

High w/spout

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
