Overall Length:

9.000 inches

Overall Height:

4.875 inches

Overall Width:

4.125 inches

Handle:

Furnished

Water Resistance Quality:

Not included

Tier Quantity:

2

Well Diameter:

14.000 millimeters

Well Depth:

2.750 inches

Well Quantity:

40

Material:

Steel, corrosion resisting

Material:

Stainless steel

Specification Or Standard:

5 figure

Departure From Cited Document:

Paragraph 3.7, test tube racks

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T269-p
