Overall Length:

9.000 inches

Jaw Type:

Serrated

Product Name:

Tongs laboratory crucible 9 inch h4 crucible double bent

Special Features:

Riveted joint

Style Designator:

Crucible, double bent

Specification Or Standard:

lii type and a composition and 1 size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T269-d
