Inside Diameter:

160.00 millimeters

Overall Height:

255.00 millimeters

Primary Container Type:

Case

Primary Container Unit Quantity:

1

Closure Type Accommodated And Size Designation:

40/35 standard taper stopper joint

Special Features:

External sleeve

Material:

Glass, federal dd-g-541, type 1, class a

Style Designator:

Evacuating, small

Specification Or Standard:

1 type and 1 size and a grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
