Overall Height:

135.00 millimeters

Capacity Rating:

800.000 milliliters

Calibration Function:

To contain

Special Features:

W/ml graduations 50 to 750, at 50 ml intervals porm 5 pct

Material:

Glass, federal dd-g-541, type 1, class a

Style Designator:

Low w/o spout

Specification Or Standard:

1 type

Departure From Cited Designator:

800 ml capacity as modified by reply to rqmt feat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
