Overall Length:

6.000 inches

Capacity Rating:

5.000 milliliters

Color Coding:

Clear

Features Provided:

Disposable

Primary Container Type:

Package

Primary Container Unit Quantity:

500

Product Name:

Pipet nonvolumetric plas polyethylene m31 5ml cap 6in o/a lg500s

Special Features:

One piece construction w/molded bulb; single squeeze draws up to 2 ml; w/controlled drop tip

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Style Designator:

Transfer one piece w/molded bulb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
