**Overall Height:**

10.000 inches

**Scale Marking:**

Every twentieth graduation

**Capacity Rating:**

500.000 cubic centimeters

**Calibration Function:**

To contain

**Scale Graduation Unit:**

5.0 cubic centimeters single interval single scale

**Graduation Marking Method:**

Painted

**Scale Reading Direction:**

Bottom to top outside single scale

**Scale Graduation Unit Range:**

+0.0/+5.0 cubic centimeters single interval single scale

**Special Features:**

2.375 in. Dia

**Material:**

Plastic, polypropylene

**Material:**

Plastic polypropylene

**Style Designator:**

Cylindrical

**Reference Number Differentiating Characteristics:**

As differentiated by specification controldwg

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24200
