Capacity Rating:

1000.000 microliters

Primary Container Type:

Box

Primary Container Unit Quantity:

1

Total Primary Container Quantity:

1

Product Name:

Pipet automatic cres disp tip 1000 microliters f/6640011472090

Special Features:

For use in sampling liquid biomedical material; push button loading/dispensing type; accommodates disposable plastic tip nsn 6640-01-147-2090; color coded

Material:

Steel, corrosion resisting

Material:

Stainless steel

Style Designator:

Disposable tip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
