Capacity Rating:

1.500 gallons

Closure Size For Which Designed:

53b millimeter screw cap

Closure Type:

Screw cap w/dispensing spout

Stopper Material:

Plastic, polypropylene

Product Name:

Bottle screw cap narrow mouth rectangular 1.5 gal

Special Features:

With molded carrying handle; graduated and numbered in 1/2 gal increments from 1/2 to 1-1/2 gal and graduated and numbered in 2 liter increments from 2 to 6 liters; for transporting and storing liquids in laboratory procedures; for replacement cap, order 6640-01-147-9559, narrow mouth

Color:

Natural

Material:

Plastic polyethylene

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T116-b
