**Unit Package Quantity:**

25

**Accessory Components And Quantity:**

Anaerobic gas generator 1; anaerobic indicator 1; plastic palladium catalyst container 1; bio-bag (type a) 1

**Features Provided:**

Disposable and immediate consumption unit type

**Hydrogen Generation Method:**

Palladium catalyst

**Product Name:**

Generator gas envelop palladium catalyst immediate consumption25

**Unit Package Type:**

Package

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T396-g
