Gas Envelope Generator - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6640-01-156-3582

Unit Package Quantity:
25
Accessory Components And Quantity:
Anaerbic gas generator 1; anaeorbic indicator 1; plastic palladium catalyst container 1; bio-bag (type a) 1
Features Provided:
Disposable and immediate consumption unit type
Hydrogen Generation Method:
Palladium catalyst
Product Name:
Generator gas envelop palladium catalyst immediate consumption25
Unit Package Type:
Package
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T396-g
