Overall Height:

75.560 millimeters

Overall Outside Diameter:

52.220 millimeters

Capacity Rating:

30.000 milliliters

Features Provided:

Disposable and sterile

Primary Container Type:

Case

Primary Container Unit Quantity:

500

Special Features:

Optically clear; canted neck with screw cap

Material:

Plastic, polystyrene

Material:

Plastic polystyrene

Style Designator:

W/o side arm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
