Overall Height:

130.810 millimeters

Overall Outside Diameter:

85.340 millimeters

Capacity Rating:

250.000 milliliters

Features Provided:

Disposable and sterile

Primary Container Type:

Case

Primary Container Unit Quantity:

100

Special Features:

Optically clear; canted neck with screw cap

Material:

Plastic, polystyrene

Material:

Plastic polystyrene

Style Designator:

W/o side arm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
