Overall Length:

6.000 inches

Capacity Rating:

7.500 milliliters

Features Provided:

Disposable and nonsterile

Primary Container Type:

Package

Primary Container Unit Quantity:

500

Product Name:

Pipet transfer plast polyeth 6"l 7.5ml cap nonsterile disp 500s

Material:

Plastic, polyethylene

Material:

Plastic polyethylene

Style Designator:

Transfer one piece w/molded bulb

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
