End Application:

6515-01-259-4307

Liner:

Not furnished

Securing Method:

Screw

Product Name:

Bottle top assembly end item nsn 6515-01-251-1838 suction appar

Special Features:

One elbow fitting and two straight fittings for use on collection bottle

Color:

White, opaque

Material:

Plastic

Purchase Description Identification:

25415-2497

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T116-c
