Overall Height:

5.750 inches

Overall Diameter:

2.875 inches

Capacity Rating:

16.0 ounces

Closure Size For Which Designed:

For screw cap seal size 70

Closure Type:

Screw cap

Features Provided:

Chemical resistant and wide mouth

Product Name:

Bottle screw cap glass 16oz round f/sz screw cap seal 24's

Special Features:

Used w/biological and pathological specimens also used for storing laboratory chemicals and reagents

Color:

Clear

Material:

Glass

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T116-b
