Overall Length:

1.500 inches

Overall Height:

0.125 inches

Overall Width:

1.000 inches

Closure Method:

Snap-latch

Disposition After Initial Use:

Disposable

Primary Container Type:

Package

Primary Container Unit Quantity:

250

Total Primary Container Quantity:

4

Product Name:

Embedding and processing cassette plas rectangular disp 1000s

Special Features:

Used for fixing tissue; penetration of processing fluids; slanted writing surface permits positive one-time identification; unit q type 1000

Material:

Plastic

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T397-c
