Overall Height:

3.750 inches

Overall Outside Diameter:

2.000 inches

Capacity Rating:

50.000 milliliters

Features Provided:

Canted neck and clear and sterile

Primary Container Type:

Package

Primary Container Unit Quantity:

300

Product Name:

Flask culture plas clear ster 3.750in h 2in outside diam 50ml300

Special Features:

25 square centimeter growth surface; plug seal cap style for airtight cultures; anti-tip skirt; pressure tested and treated for optimum cell attachment and growth

Material:

Plastic, polystyrene

Material:

Plastic polystyrene

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24200
