Capacity Rating:

10.000 liters

Product Name:

Flask dewar 10l taylor-wharton used f/safe storage liq nitrogen

Special Features:

Taylor-wharton design; model 10ld; cryogenic; 10l capacity; 533 mm o/a height; 289 mm dia; used for the safe storage of liquid nitrogen in small quantities

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24200
