Design Designation:

Luer

Tip Type:

Luer slip

Scale Smallest Increment:

0.050 milliliters

Capacity:

2.5 milliliters

Special Features:

Manufacturer name 1002lt 2.5ml gastight syringe; polytetrafluoroethylene ptfе-tipped plunger; replaceable syringe barrels, plungers, and plunger tip; pressure rating 200 psig; standard needle gauge 22; standard needle length 51 mm; standard electrotaper; standard needle dead volume 6.70 ul

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T133-b
