Product Name:

Centrifuge laboratory 120v 60hz ac

Special Features:

Personal cytocentrifuge; 120 vac, 60 hz; concentrates cells in a monolayer onto microscope slides; ideal for in situ hybridization; quiet operation; variable time and speed settings; dim: 12 cm h by 16.3 cm dia.; supplied complete with rotor, 10 three chamber concentrators, and 10 one chamber concentrators; army mcn 6640-00-c07-8031

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T149-c
